# Walking Track

<<<<<New Park Feature>>>>> Higginsville Parks and Recreation Department>>>> is pleased to announce a new attraction that will be coming to the park, sometime soon....! With our partners the Higginsville Rotary Club, the Higginsville Community Betterment group, the family of Justin Moenkhooff, and other community based organizations, we will soon be installing a brand new Splash Pad feature on the north lawn of the swimming pool. We are still working out the details however this attraction will be free to the public and offer extended times, that our normal pool times is not able to be staffed at.

We were approached by Rotary to look into a possible Splash Pad feature at the park in memory of fellow Rotarian Justin Moenkhooff. Justin loved his family, serving his community, spreading joy, being a Rotarian, and coaching youth sports. This Splash Pad will stand as a reminder of Justin's time with us and how he touched everyone that knew him, and be yet another amenity that Rotary has helped us with. We are excited to see this project through and will provide more updates soon!

**Basketball Court: Soon you will see some  
beautiful new Basketball Backboards/Rims at the "Slab".**

**Love seeing all the kids and older kids out there "Hooping it up"! This will complete  
Phase Two of the court upgrades. Similar image to what we will see:**

GOAL WILL BE SIMILAR TO THIS

Congratulations Husker High School Basketball on making it to the pinnacle; the State Final Four, Several players played parks and rec. basketball along with doing tons of travel basketball on top of that.

Congratulations to Husker Basketball Coach  
Jim Stoner for being voted into the  
Missouri Basketball  
Coaches Association  
Hall of Fame 2023 class.
